At this point, any of the following options can be performed. If you are comfortable with your order, select the **SEND** option.

*SEND - choose this option to select shipping method and submit your order for processing.
 REVIEW - will display price and quantity of your order minus shipping and taxes.
 CLEAR - this option will clear your order.
 INFO - will provide a short description of this feature.

Your order will now be sent to us for processing. A receipt will print verifying acceptance.

*After choosing this option, a receipt will print with a brief overview of your order, asking to confirm order. After confirmation, choose your shipping method via arrows on right and pressing **ENTER** key on shipping method. You will be prompted for a "callback yes or no". Make selection. If callback is requested, a representative will call you to answer questions about your order.

*To return to main menu, press the **MENU** key 2 times.*
